DECLARATION UNDER PETITION 37 C.F.R. §1.134(b)

I, the undersigned, Robert Fish, hereby declare as follows:

1. I am an attorney licensed to practice in the State of California.
2. On information and belief, David Tye is the named inventor on application serial no. 10/046066. The application was filed, and was being prosecuted, by a firm that was retained by Mr. Tye's previous employer, Universal Aqua Technologies. After leaving Universal Aqua Technologies, Mr. Tye promptly retained Rutan & Tucker to continue prosecution of his application and an appropriate power of attorney was filed with the United States Patent and Trademark Office. Mr. Tye was not aware that the firm hired by his previous employer had failed to pay the necessary fees to avoid abandonment. Therefore, the abandonment of the application was unintentional.
